

FORUM PROGRAM "TOWARDS A 4.0 INDUSTRY IN TUNISIA" (JUNE 18, 15.00-17.30, WORKSHOP ROOM) IN THE LIVING ROOM SITIC AFRICA 2019

Destiné aux industriels, technologistes, académiciens, ingénieurs, étudiants, ainsi que le grand public, le forum "Towards a 4.0 industry in Tunisia" (June 18, 15h-17h30, Salle "Workshop") will be a unique opportunity:

- To have an overview of the national initiative "Towards a 4.0 industry in Tunisia," his progress and priorities in 2019.
- Attend conferences and a round table involving experts in industry 4.0.
- Introduction to a method for formalization of AI in an industrial environment, through the workshop led by Aurelian Verleyen (CEO Dataswati).

This forum is organized as part of the show SITIC Africa 2019 (4th Edition), taking place from 18 to 20 June 2019 in the Kram Exhibition Park (Tunis) which is the meeting place of ICTs in Africa, visant à promouvoir la coopération triangulaire Europe-Africa-Tunisie.
